

UTAH & WYOMING

ThermWise® Rebate Program Builder Participation Agreement

Welcome to the Dominion Energy ThermWise® Builder Rebates Program. This is an agreement to become a builder participant in the Dominion Energy ThermWise Rebate Program. The program offers rebates to builders of single and multifamily energy-efficient and ENERGY STAR® qualified homes and for the incorporation of high-efficiency appliances in newly constructed single-family residences of four units or fewer or multifamily residences of 5 units or more within Dominion Energy's Utah and Wyoming service area.

Signature _____ **Date** _____

Mail the completed agreement to:
ThermWise Builder Rebates | P.O. Box 45360 | Salt Lake City, UT 84145-0360

Terms and Conditions

Rebate availability

The Dominion Energy ThermWise Builder Rebates Program has been approved by the Public Service Commission of Utah and the Public Service Commission of Wyoming. All rebates subject to change with 30 days notice. All equipment must be new and must be purchased and installed prior to submitting a rebate application. Completed form and required documentation must be received within six months of occupancy. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate eligibility

Invoices or receipts may be required for each measure except whole home certifications (see application or ThermWise.com for more details). Rebates for newly constructed single or multifamily projects will be payable to the home builder only (including owner-builders).

Rebate qualification

If equipment is returned after rebate is paid, Dominion Energy will be reimbursed the rebate with penalty including associated legal and/or collection related costs. Qualifying equipment models may be found on ThermWise.com. Equipment must be installed at a newly constructed residence at an address with an active Dominion Energy Meter on the GS rate schedule. Qualifying new residences include single family (1 to 4 units) and multifamily houses (5 or more units) with five or more separately-metered units per building located within the Dominion Energy Utah and Wyoming service area. **Completed form and all required information and documentation must be received within six months of customer gas service turn-on to meet eligibility criteria.**

Application details

Dominion Energy reserves the right to verify information provided on the application. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Dominion Energy issues rebates in the form of checks, not utility-bill credits. Dominion Energy is not responsible if your supplier provides inaccurate information about the amount and/or conditions of the actual rebate, and Dominion Energy will not pay rebates for equipment that is mislabeled or misrepresented by dealers regarding rebate qualifications. Builders receiving rebates under one ThermWise Rebate Program may not receive rebates for the same equipment or home under other Dominion Energy programs.

Rebate limitations and limitation of damages

Payment of the rebate by Dominion Energy does not warrant the performance of qualifying/installed equipment and does not warrant that the qualifying/installed equipment will deliver any specified amount of energy or cost savings. The builder shall independently evaluate any information related to the qualifying equipment. Neither Dominion Energy (including its parent company(s) and affiliates at any tier, and their respective directors, officers, and employees) nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Dominion Energy (including its parent company(s) and affiliates at any tier, and their respective directors, officers, and employees) or its contractors.
