

UTAH

ThermWise® Appliance Rebates Program

Application

If you conserve, you can save.®

How do I get a rebate?

Ensure your eligibility.

Customers currently receiving Questar Gas® service are eligible to receive ThermWise rebates. Please review the Terms and Conditions on the last page for further eligibility details.

Complete your rebate application in just 6 easy steps!

All steps are required unless otherwise noted. Incomplete applications and applications submitted without required documentation will result in delayed or denied rebates.

Make a copy of your completed application for your records.

Submit your application (See page 3 for instructions).

Need help? Call 866-699-6032 or visit ThermWise.com for answers to frequently asked questions and for qualifying products and services.

1) Account and Customer Information

Account number* _____ Service-agreement number* _____

* Account and service-agreement numbers are located on your gas bill. Applications cannot be processed without both. See example below. If you need information about your Questar Gas Account, please call the Questar Account Information Department at 800-323-5517.

If you are a property owner not listed on the account and would like the rebate check to be made payable to you, please check the box below and attach a completed Property Owner Addendum. Otherwise, all rebate checks will be sent to the name and mailing address listed on the Questar Gas account at the installation address. Visit ThermWise.com to download and print this form.

Check this box if you have attached a completed Property Owner Addendum (if applicable).

First name _____ Last name _____ Phone () _____
(as it appears on account)

Installation address _____

City _____ State _____ Zip _____

Mailing address _____
(if different from install address)

City _____ State _____ Zip _____

E-mail address _____

I would like to receive your e-newsletter and periodic Program updates

Questar Customer **Account: 0989805663** Page 1 of 1

E-mail: Appliance@ThermWise.com

Fax: 800-687-6176

Mail: ThermWise Appliance Rebates

P.O. Box 45360

Salt Lake City, UT 84145-0360

Check delivery

Rebate checks are issued within approximately six weeks upon receipt of a completed and approved rebate application.

Terms and Conditions

Rebate availability

The Questar Gas® ThermWise® Appliance Rebates Program has been approved by the Public Service Commission of Utah and may be subject to change or modification at any time. All equipment must be new and purchased and installed prior to submitting a rebate application. Equipment must have been purchased and installed on or after January 1, 2007. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate. Multifamily rebates are only valid on appliances purchased and installed on or after January 1, 2008.

Rebate eligibility

It is the responsibility of the applicant to send the completed rebate application along with copies of the required proofs of purchase. Only one rebate will be paid per appliance. Proof of purchase and installation receipts are required for each appliance qualifying for a rebate. Appliance(s) must be purchased and installed after home's original occupancy date. Appliances installed as part of the home's original construction (New Construction) are not eligible for rebates under this Program. Allow approximately six weeks from receipt of completed applications, including all purchase receipts, for rebate processing.

Rebate qualification

If equipment is returned after rebate is paid, Questar Gas will be reimbursed the rebate with penalty including associated legal and/or collection related costs. Qualifying rebate measures may be found online at ThermWise.com, or by calling 866-699-6032. Equipment must be installed within the Questar Gas Utah/Idaho service area. Customers in Questar's Wyoming service area may be eligible for Wyoming specific appliance rebates. Visit ThermWise.com for details regarding the Wyoming ThermWise Program.

Need help? Call **866-699-6032** or visit **ThermWise.com** for answers.

Terms and Conditions – continued

Application details

Equipment Applications are subject to verification by Questar Gas®. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Questar Gas issues rebates in the form of checks, not utility bill credits. Questar Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate, and Questar Gas will not pay rebates for equipment that is mislabeled or misrepresented by dealers regarding rebate qualifications. Households receiving rebates under the ThermWise Appliance Rebates Program may not receive equipment purchase and installation rebates for the same equipment under other Questar Gas Programs.

The customer hereby transfers to Questar Gas all “Environmental Attributes” attributable to the Qualifying Equipment or its operation. “Environmental Attributes” means those aspects, claims, characteristics and benefits of avoided energy use associated with the Equipment. Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or credits associated with the Equipment.

Rebate limitations and limitation of damages

Payment of the rebate by Questar Gas does not warrant the performance of qualifying/installed equipment and does not warrant that the qualifying/installed equipment will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Consent to share information

By submitting this ThermWise Appliance Program Application (the Application) , I authorize Questar Gas Company and its agents to release the information I have included in the Application to Rocky Mountain Power or another program administrator for the purposes of energy efficiency program administration and project quality assurance purposes. I understand and agree that this information may be used to help determine eligibility for available Questar Gas Company rebates. I authorize Rocky Mountain Power or another program administrator to provide Questar Gas Company with information provided to me on any incentive application I may have submitted. I understand and agree that references to Questar Gas Company, Rocky Mountain Power and other program administrators also includes their authorized agents and program administrators.

Shopping for a new home?

Ask your builder or realtor about **ENERGY STAR® qualified homes** - designed, built and performance tested to be at least 15% more energy efficient than homes built to Utah code standards.

Time for an upgrade?

With **cash rebates** from Questar Gas and state and federal tax incentives, there's never been a better time to make energy-efficient upgrades to your home. Visit ThermWise.com to learn more.

Not sure where to begin?

Schedule an **in-home energy audit**. For \$25, a Questar Gas technician will visit your home and conduct an energy audit. If you prefer, we can also provide a free **mail-in audit**. Call **800-695-7375** between the hours of 7 AM to 5 PM (MST) Monday through Friday to learn more.
