Customer responsibilities and tips for hiring a contractor:

- Check contractor's license.
- Ask for referrals and obtain multiple bids.
- Get a written and itemized estimate and verify accuracy of information including cost, square footage and warranty information.
- Always have a signed written proposal before work gets started.

Example of required NFRC Window Sticker (include a sticker for each window installed)

|---|---|
|  National Fenestration Rating Council® CERTIFIED | World's Best Window Co. Millennium 2000+ Vinyl-Clad Wood Frame Double Glazing • Argon Fill • Low E Product Type: Vertical Slider |
| ENERGY PERFORMANCE RATINGS | |
| U-Factor (U.S./I-P) 0.35 | Solar Heat Gain Coefficient 0.32 |
| ADDITIONAL PERFORMANCE RATINGS | |
| Visible Transmittance 0.51 | Air Leakage (U.S./I-P) 0.2 |
| Condensation Resistance 51 | — |
| <small>Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any product and does not warrant the suitability of any product for any specific use. Consult manufacturer's literature for other product performance information. www.nfrc.org</small> | |

Application Instructions

AN NFRC WINDOW STICKER IS REQUIRED FOR EACH WINDOW

1. Purchase and install a qualified measure.

To find out more about products and services which qualify, visit ThermWise.com or call 1-800-323-5517.

2. Provide all the information requested on this rebate application.

3. Review and sign the Acceptance of Terms (customer must sign).

4. Include all supporting documents in the following checklist:

- If available, include a copy of your most recent Questar Gas bill.
- Paid sales receipt or invoice which clearly details the following:
 - Retailer/Contractor name, address and phone number
 - Purchase date and install date (if different)
 - Itemized detail of cost, quantity, manufacturer and model name and/or number, accurate dimensions for each window, and any other product identifying information.
 - The original or copy of each National Fenestration Rating Council (NFRC) sticker for each window.

5. Keep a copy for your records.

6. Mail the completed and customer signed application, together with all supporting documents to:

ThermWise Weatherization Rebates
P.O. Box 45360
Salt Lake City, UT 84145-0360

7. Allow approximately 6 - 8 weeks from receipt of completed application and documents to receive your rebate check.

Rebate Availability

The Questar Gas ThermWise Weatherization Program has been approved by the Public Service Commission of Wyoming and may be subject to change or modification at any time. All efficiency measures must be new, must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after July 1, 2009. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate Qualifications

Qualifying measures and services may be found online at ThermWise.com, or by calling 1-800-323-5517. Efficiency measures must be installed in single-family houses or in dwellings of up to four units within Questar Gas's Wyoming service area.

Application Details

Applications are subject to verification by Questar Gas. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Questar Gas issues rebates in the form of checks, not utility bill credits. Questar Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Questar Gas will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

The customer hereby transfers to Questar Gas all "Environmental Attributes" attributable to the Qualifying Measure or its operation. "Environmental Attributes" means those aspects, claims, characteristics and benefits of avoided energy use associated with the Measure(s). Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or credits associated with the Measure.

Rebate Limitations and Limitation of Damages

Payment of the rebate by Questar Gas does not warrant the performance of the qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Please allow approximately 6 - 8 weeks from receipt of completed application for your rebate check to arrive.

Applications received that are missing information may be delayed or subject to rejection.
