The Questar Gas ThermWise Rebate Programs have been approved by the Public Service Commission of Utah and Wyoming and may be subject to change or modification at any time. All equipment must be new and must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after January 1, 2007 for Utah customers and on or after July 1, 2009 for Wyoming customers. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate. **Multifamily rebates for Utah customers are only valid on appliances purchased and installed after January 1, 2008.**
