Application Details

Applications are subject to verification by Questar Gas. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Questar Gas issues rebates in the form of checks, not utility bill credits. Questar Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Questar Gas will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

The customer hereby transfers to Questar Gas all "Environmental Attributes" attributable to the Qualifying Measure or its operation. "Environmental Attributes" means those aspects, claims, characteristics and benefits of avoided energy use associated with the Measure(s). Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or credits associated with the Measure.

Rebate Limitations and Limitation of Damages

Payment of the rebate by Questar Gas does not warrant the performance of the qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.
