## Terms and Conditions

Builders who wish to participate in the Dominion Energy 2018 ThermWise® Parade of Homes Builder Program must agree to the following terms:

1. Home must be entered in a participating Parade of Homes event.
2. Builder must permanently install at least one of the following ThermWise-eligible heating measures in the participating home:
  - a. High-efficiency natural gas sole source space heating (AFUE 92% or higher)
  - b. High-efficiency natural gas water heating
3. Builder will incorporate at least one of the following ThermWise upgrades into the home. (Please see ThermWise.com for a list of additional ThermWise upgrades and rebates.)
4. Builder agrees to place ThermWise marketing materials associated with chosen upgrades in the Parade Home.
5. Natural gas piping and equipment must be installed and operational before the opening of the Parade Home or any special advance showing.
6. The builder must submit the ThermWise rebate application for qualifying measures. After builder submits the ThermWise rebate application and verification of the installed measure is complete, the builder will receive the applicable ThermWise rebate plus an additional \$500 incentive.

## Acceptance of Terms

I hereby certify that all information is accurate. I have read all terms and conditions on this application and acknowledge that Dominion Energy may verify all the information provided.
