Rebate Availability. The Dominion Energy®ThermWise® rebate programs have been approved by the Public Service Commission of Utah. All rebates subject to change with 30 days notice. All equipment/supplies (measure) must be new and purchased and installed prior to submitting a rebate application. **Measures must have been purchased and installed on or after January 1, 2020.** Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate Eligibility. It is the responsibility of the applicant to send the completed rebate application along with copies of the required proofs of purchase (receipt, invoice, etc.). Only one rebate will be paid per installation. Proof of purchase and installation receipts are required for each measure qualifying for a rebate. Measures must be purchased and installed after home's original occupancy date. Measures installed as part of the home's original construction (New Construction) are only eligible for rebates under the Builder Rebates Program. Allow approximately six weeks from receipt of completed applications, including all purchase receipts, for rebate processing. Completed form and all required documentation must be received within six months of purchase/installation.

Rebate Qualification. If a measure is returned after rebate is paid, Dominion Energy will be reimbursed the rebate with penalty including associated legal and/or collection related costs. Qualifying rebate measures may be found online atThermWise.com. Measures must be installed within the Dominion Energy Utah/Idaho service area. Customers in Dominion Energy's Wyoming service area may be eligible for Wyoming specific measure rebates. VisitThermWise.com for details regarding the WyomingThermWise Program.

Application Details. All applications are subject to verification by Dominion Energy. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Dominion Energy issues rebates in the form of checks, not utility bill credits. Dominion Energy is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Dominion Energy will not pay rebates for equipment that is mislabeled or misrepresented by dealers regarding rebate qualifications. Customers receiving rebates under oneThermWise program may not receive rebates for the same equipment under any otherThermWise program.

The customer hereby transfers to Dominion Energy all "Environmental Attributes" attributable to the qualifying measure or its operation. Environmental Attributes means those aspects, claims, characteristics and benefits of avoided energy use associated with the measure. Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or tax credits associated with the measure.

Rebate Limitations and Limitation of Damages. Payment of the rebate by Dominion Energy does not warrant the performance of qualifying/installed measures and does not warrant that the qualifying/installed measure will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying measure. Neither Dominion Energy, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Dominion Energy, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Consent to Share Information. By submitting thisThermWise application, I authorize Dominion Energy Company and its agents to release the information I have included in the application to my electric service provider or another program administrator for the purposes of energy efficiency program administration and project quality assurance purposes. I understand and agree that this information may be used to help determine eligibility for available Dominion Energy Company rebates. I authorize my electric service provider or another program administrator to provide Dominion Energy Company with information provided to me on any incentive application I may have submitted. I understand and agree that references to Dominion Energy, electric service provider and other program administrators also includes their authorized agents and program administrators.

Tax Liability. Applicant acknowledges that receipt of any rebate or payment pursuant to this application may result in taxable income to the Applicant, even if Applicant does not directly receive a payment. Applicant is solely responsible for payment and reporting with respect to Applicant's taxes. Applicant should consult his or her own tax advisor with respect to the tax treatment of rebates provided pursuant to application. Nothing in this application or theseTerms and Conditions is intended to constitute tax advice and cannot be used for the purpose of avoiding penalties under the Internal Revenue Code.

Please allow up to eight weeks for application processing. **To check the status of your application, please visit www.ThermWise.com and select "TRACK REBATE". For questions regarding your application, you may call 1-877-932-0610 M-F 8am to 5pm Mountain Time.** Rebates are paid by check in US dollars. Checks will be mailed to qualifying customers within 60 days upon completion of application processing. It is required that you cash the rebate check within 90 days of the issuance date on the check. Excessive submissions constitute fraud and may result in federal prosecution under the U.S. mail fraud statutes (Title 18, USC 1341 and 1342). All submitted materials become property of Dominion Energy and will NOT be returned.
